

# MEDICAL RECALLS in the United States

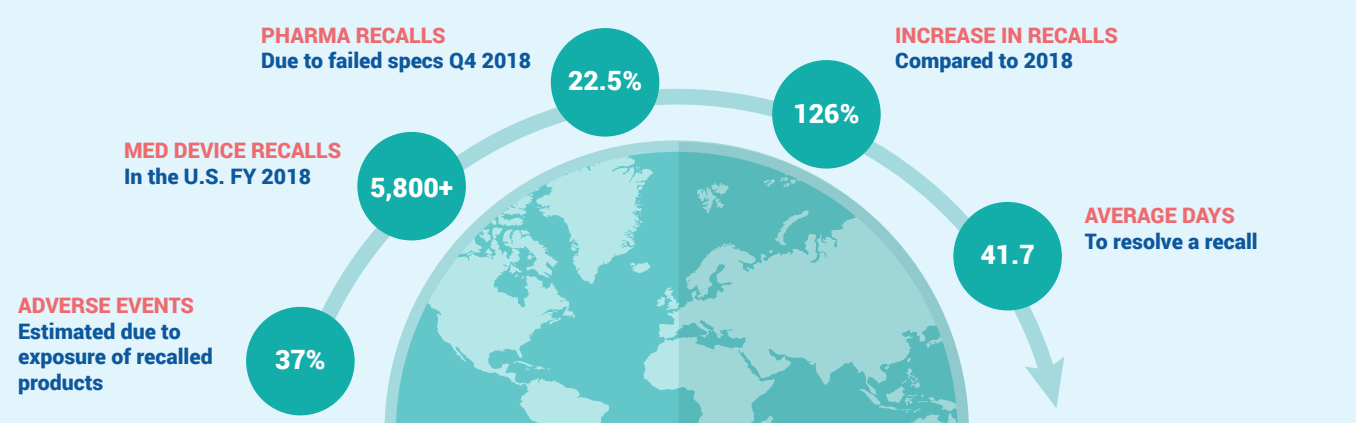

**16+**  
MEDICAL RECALLS EVERY SINGLE DAY

**\$5M/DAY**  
ESTIMATED COST FOR MANUFACTURERS

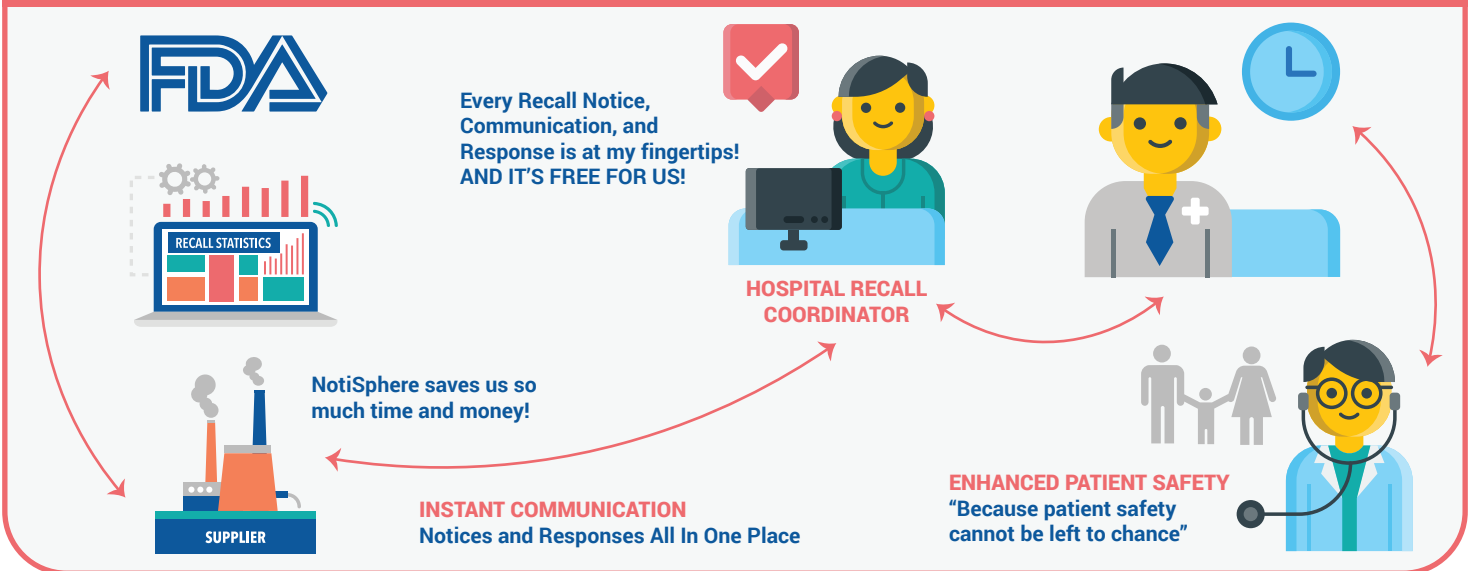

**141 MILLION**  
UNITS RECALLED IN 2018

Manual paper based process from Suppliers to Facilities.      ? The recall notice went out to multiple departments. Did someone else take care of it?      Several rounds of notices might be sent. The recall seems familiar, but are you certain?

## NotiSphere Recall Resolution

*This is so much quicker, and it is safer for my patients!*
